

TE KARORO

May 2022

Ka tika me mihi ki a koutou te whanau whānui o Mana Ahuriri Trust.

Presenting the first of our regular bi-monthly pānui, to update you about the Trust's activities as we work on standing up our post-settlement governance entity – Mana Ahuriri Trust.

Every month we will also hold webinar Hui -the first on 25 May 2022. Members can ask anything and everything of your trustees and of the directors of the new commercial entity – Mana Ahuriri Holdings LP.

This is an exciting time for the hapū of Ahuriri. I am proud to be your Chair and look forward to us taking this journey together.

Tania Eden, Chairperson

MANA AHURIRI HOLDINGS LP

Introducing your commercial team – the directors of Mana Ahuriri Holdings Limited Partnership.

Appointed on 31 March 2022, the commercial team has an exceptional collective wealth of experience and they are totally Mana Ahuriri.

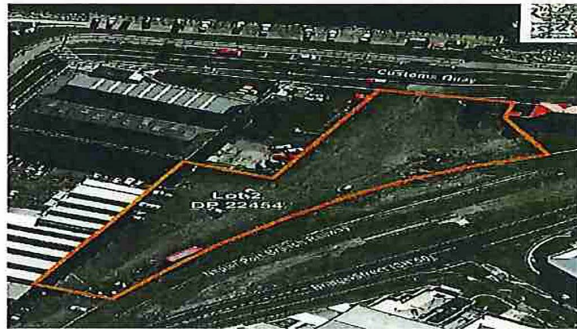

The directors were appointed following a lengthy, robust process and applications from many excellent candidates.

Their first task is to develop the investment strategy and the strategic priorities for growing the assets. Be sure to watch the first webinar show on 25 May 2022 where you can talk with the directors.

PAKAKE DAY MATARIKI 24 JUNE 2022

For Matariki 2022, Mana Ahuriri will host our Pakake Day on 24 June 2022 and celebrate the return of the historically significant Pakake lands to the hapū of Ahuriri. Although a fraction, the return of part of the original site is by far the most significant redress, alongside Heipipi Pā, of all that was negotiated in the settlement of the historical Treaty claims with the Crown. We look forward to bringing all our hapū together to remember those who passed at Pakake.

NEW CHAIR FOR NGĀTI KAHUNGU IWI

Mana Ahuriri Trust congratulates Bayden Barber, the new Chair for Ngāti Kahungunu Iwi Incorporated.

Campaigning that “it’s time for change”, Bayden succeeded with a 486 vote majority, unseating long-serving and highly respected Ngahiwi Tomoana who has held the role of Chair for 26 years.

Mana Ahuriri sends heartfelt aroha and best wishes to Ngahiwi for his outstanding leadership.

Mana Ahuriri also looks forward to developing its post-settlement relationship with Bayden and Ngāti Kahungunu Iwi Inc.

KAWEKA GWAVAS FOREST COMPANY LIMITED

Left to right: Allana Hiha, Liz Graham (Chair), Brigid McArthur (Crown appointed Director for Ahuriri), Cordry Huata (Deputy Chair) and Gordon Lash (Company Secretary)

Following the enactment of the Ahuriri Hapū Claims Settlement Act 2021, MAT Deputy Chairperson, Allana Hiha, joins the board of directors of Kaweka Gwavas Forest Company Limited. Allana replaces Crown appointee, Brigid McArthur, who represented the Crown A interests of Mana Ahuriri from August 2018, whilst the Ahuriri claims remained to be settled.

On 3 March 2022 (settlement date) Mana Ahuriri acquired 33.34% shareholding in the company, alongside Heretaunga Tamatea Settlement Trust with 56%. 10% is held by the Crown for Ngāti Paki interests currently before the Waitangi Tribunal.

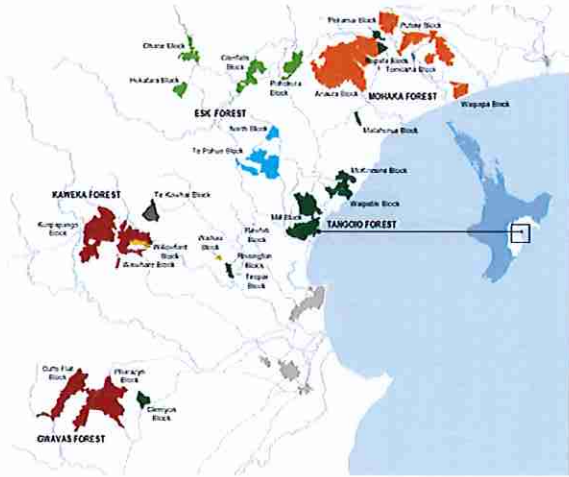

TE KOMITI MURIWAI O TE WHANGA

Te Komiti Muriwai o Te Whanga is a permanent statutory committee established under the Ahuriri Hapu Claims Settlement Act 2021.

A significant piece of redress, Te Komiti acknowledges the hapū as kaitiaki to protect and preserve the environmental, economic, social, spiritual, historical and cultural values of Te Whanga for future generations.

Mana Ahuriri Trust has appointed its four members, who are: Tania Eden (Chair), Allana Hiha, Tipene Cottrell and Te Kaha Hawaiiikirangi.

The remaining four members are to be appointed by Napier City Council, Hastings District Council, Hawke’s Bay Regional Council and the Minister of Conservation. Napier City Council will provide the administration.

MAJOR GOVERNMENT REFORMS

Mana Ahuriri Trust continues to advocate for its members in the major government reforms. These are in four areas:

- **HEALTH** with Health NZ, the Māori Health Authority and Iwi Māori Partnership Boards (IMPB);
- **THREE WATERS AND ENTITY C** responsible for providing safe and reliable drinking water, wastewater and stormwater services;
- **RMA REFORM** Complete replacement of the Resource Management laws with the Natural and Built Environment Act, Spatial Planning and Climate Change; and
- **LOCAL GOVERNMENT REFORM.** Key for MAT is to ensure that redress negotiated in the settlement is not diminished by the law reforms.
